Door

Sliding, Single-Axis, Single Leaf & Bi-Parting - Model 1710 & 1716

Freeman Marine's Single-Axis sliding doors offer traditional felted strip weather tight sealing. Sliding doors can be specified in virtually any size required and a variety of configurations; single panel, bi-parting, and multi-panel styles. Custom sized windows designed to complement adjacent vessel windows can be ordered. Passive solid panels as well as sidelights are also available.

Freeman Sliding doors are finished in yacht-quality linear polyurethane and offer attention to detail, durability, performance and style not found in lighter duty, ordinary sliding doors.
