ABOUT US

RAISING THE BAR ON YACHT CRANE PERFORMANCE

ABOUT STEELHEAD MARINE

High Performance Yacht Equipment

Steelhead Marine's elegantly designed, high-tech cranes are renowned across the yachting industry, but their ambitions stretch even higher. Through persistence, innovation, and hard work they are aiming to become the leader in advancing hydraulic solutions for the yachting world.

With strong leadership and a dynamic workforce, Steelhead is working to take their innovative products to the next level of sophistication. A diligent sales, engineering, design and build process combined with a close working relationship with their clients ensures Steelhead products will be at the forefront of innovation in the global yacht market.

ABOUT ADVANTEC:

AdvanTec is a collaboration of brands that specializes in the design, engineering, and manufacturing of a wide variety of marine products. As one of the largest marine manufacturers in the world, with over 150 years of experience collectively from their brands, they have been one of the leaders in innovation and creative manufacturing systems.

BENEFITS OF STEELHEAD MARINE

Engineered for Performance

- Greater lift capacity with less crane weight
- Superior engineering and advanced materials
- Durability, strength and reliability
- Compact and attractive design that puts less space and weight demands on your yacht
- Whisper quiet linear winches use composite rope which is quieter and stronger than steel cable
- Our cranes are proof tested to minimum 110% capacity
- All ES and CT series cranes provided with wireless controls

OUR WARRANTY

HASSLE-FREE

We are committed to delivering solutions that meet our customer's requirements. We offer after-sales service and commissioning support for all products sold.

All Non-Powered Equipment:

- Platinum Warranty - 3 years from date of shipment

All Powered Equipment:

- Standard Warranty - 2 years from date of shipment
- 1 year extension - Onsite commissioning required by AdvanTec Marine or certified technician

HIGH PERFORMANCE YACHT CRANES

LW Series

These cranes provide the functionality to easily lift small tenders and equipment on or off your vessel or dock with ease. They can be folded down for storage giving it a streamlined appearance.

WD Series

Whisper-quiet, low lift requirements, compact, sleek, and dual function davits.

E Series

Lightweight aluminum crane with standard two function (luffing & lifting) operation, lifting capacity 1000 to 1750 pounds. Optional upgrades for wireless controller with three or a full four function operation.

ES Series

Lightweight, super efficient, low profile European design with four-function hydraulics.

CT Series

Heavy duty four function hydraulic cranes with live telescoping boom extension and proportional controls.

Steelhead Marine cranes are found on the finest yachts and superyachts around the world
